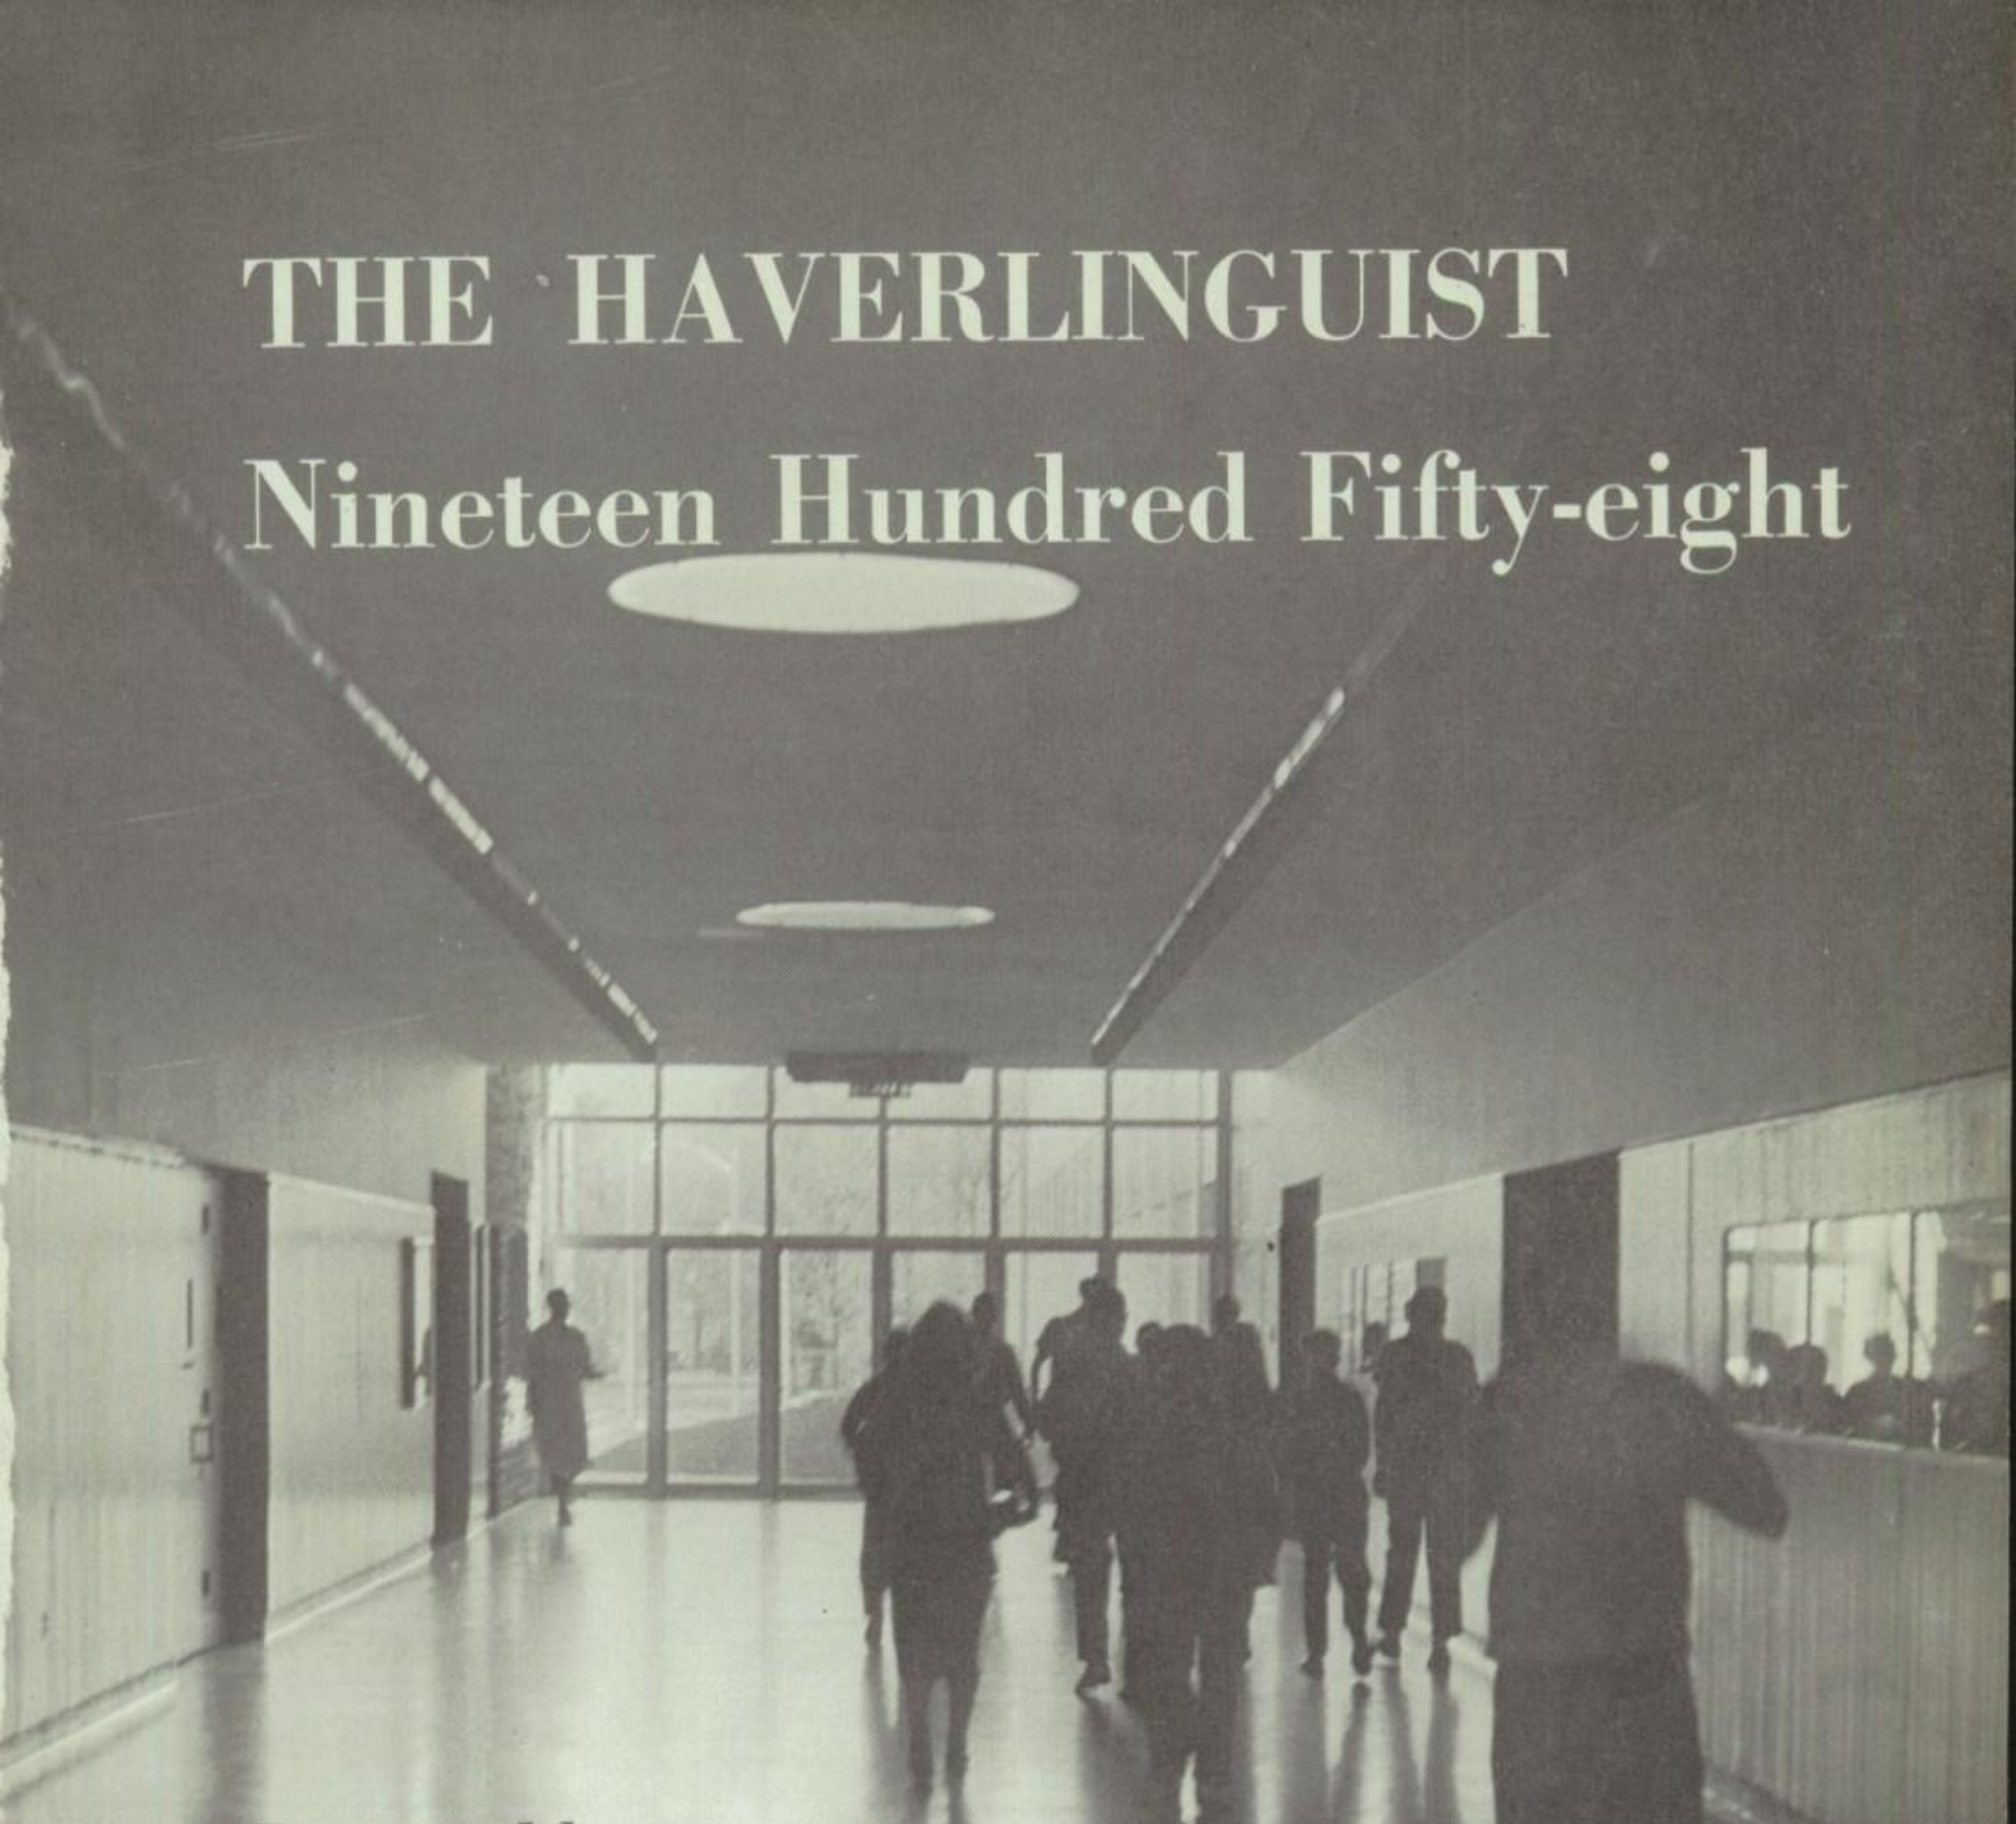
THE HAVERLINGUIST

Nineteen Hundred Fifty-eight



Presented by

The Senior Class

of

HAVERLING CENTRAL SCHOOL

BATH, NEW YORK

Foreword

Time flies, 'tis true. It has been four years since we left the halls of "old" Haverling and began to make our progress as the first freshman class of the new school. It seemed to us then that four years would never pass – the impressive title of Senior seemed an eternity in length of years. But now we are the seniors, and those four years have gone altogether too quickly.

We hope the Haverlinguist has been able to recapture some of the activities which we have shared. The yearbook has been divided into four sections – each one representing a season of the year. Every season has held something significant for all of us. Now these incidents are memories, but as memories we hold them even more dear.

Dedication

Bernard Wilson

No matter what the time of year, students of Haverling have learned that they may turn to "our King of the Seasons" as individuals or as a class. We realize that he has truly supported the Class of '58 in all of its projects and has helped us to make the best of our problems. Many are the hours that he has devoted to explaining the complexities of mathematics until we finally saw the "light." We remember with gratitude his part in enabling us to attain our goals as seniors.

With a deep sense of obligation, we, the Class of 1958, wish to dedicate the Haverlinguist to our class advisor, teacher and friend, Mr. Wilson.

Down the path of Autumn we tread, and in passing we remember many things. We begin one more year at Haverling, no different than any other, except that this is the last one for the Class of '58. The excitement of Student Council elections, the chill air at the football games, the vigor of pep assemblies . . . all of these add to the mirth of Fall.

Board of Education

MR. AUSTIN

MR. SLINEY

DR. NICKLAUS

Though the seasons change, the work of maintaining the education of the children in the school district still has to go on.

The Board of Education serves the community in many numerous ways, such as: approving the curriculum for the students, hiring the best teachers available, and providing facilities for instruction. These are just a few examples, but they give you an idea of the tremendous amount of work they do for us.

The Class of 1958 offers its thanks for all the Board of Education has done to make life at Haverling the real pleasure that it has been and for the opportunity to secure an education.

To the Class of 1958:

Once more I have been given the privilege of writing a few words to be recorded in the Haverlinguist. I consider this a great honor and wish to express my appreciation to the Haverlinguist staff and to the Senior Class as a whole.

First of all, may I offer heartiest congratulations to every member of the Senior Class. In a few weeks you will be graduating from Haverling to enter various walks of life. Without doubt this will be one of the proudest moments in each of your lives, and your parents and teachers will be equally proud of you.

It has been my privilege to observe most of you seniors from the time you entered kindergarten. During this time I have seen you grow and develop into young men and women. I have seen you in the classrooms and in the corridors, on the basketball court and the football field, in the vocal and instrumental music organizations, and in the senior play and speaking contests. In short, I have had a "ringside" seat at all of your school activities, and in my judgment the Class of 1958 can boast of as much talent in all fields of endeavor as any class ever to have graduated from Haverling. My fervent hope is that all of you will continue to develop these talents in the years to come.

Again may I congratulate each of you, and say that it has been a real privilege to have been associated with you during your elementary and high school days. We are indeed proud of you, and may you always so conduct yourselves that this pride will increase rather than diminish in the years that lie ahead.

The very best of luck and a full and enjoyable life to all of you.

Vernon E. Wightman

Mrs. Sprague; Mrs. Hille; Mrs. Gleason; Mrs. Ormsby

Ladies of the General Office

Through the four seasons these noble women enhance the general office with their atmosphere of cheerfulness and efficiency. The school would be at a loss without these "right hand men" to carry out the generalities.

MR. NADEAU
Principal, Jr.-Sr. High School

Through the efforts of our principal, our school has become a better, safer, and more pleasant place in which to learn. He has diligently worked for the betterment of our new school, and to make us proud of belonging to Haverling. His cherished yell, "Let's go Haverling," will lead us to more important things in our future.

MR. LYON
Principal, Elementary School

Haverling is eager to prepare its students for a normal, well-adjusted life as well as to help them choose their futures wisely. This couldn't have been accomplished without the guidance of Mr. Lyon in our early years in the Elementary School.

MR. ROCK
Vice-Principal and
Transportation Supervisor

Neither hail, rain, sleet or snow shall stop our buses from carrying out their duties . . . well, almost nothing. Our quick-witted, smiling-faced vice-principal, Howard Rock sees to this. His three-fold job as vice-principal, director of transportation and Business instructor has been successfully accomplished through his untiring stamina and perseverance.

As our yearbook advisor, he insured the success of our publication.

Faculty of the High School

Fall, winter, spring, or summer – no matter what season, time, or day, you, our high school teachers, have always been there when we needed you the most. Your task was not an easy one by any means. It called for a varied number of virtues, patience being foremost. We thank you for instilling within us a desire to learn, and we know that the lessons learned in courtesy will be of immeasurable use throughout our lives. Through many phases and fads, you have watched us grow up and now we want to thank you for your undying efforts in preparing us for the adult world. We realize fully well that you have provided us with an excellent background for success and that now the rest is up to us.

We'll never forget the Autumn of 1945. It was the year we entered kindergarten and marked our first big step toward graduation. Although we Seniors are no longer as dependent on you as we were when that shoe wouldn't budge, we want you to know

that we shall ever hold a tender spot in our hearts for you, our first teachers, who played such a major role in the development of our characters. Through your constant endeavors and untiring patience, you gently but firmly, set us on our own feet to walk our own paths in the fast-moving world. For all this and countless memories, we thank you.

Through wind, sleet, snow, and hail our bus drivers are on the job. This has been particularly evident during the past winter season. Whether transporting students to a fall football game or taking them home on a snowy winter day, Haverling's bus drivers are certainly worthy of the gratitude of each student.

The tasks of the custodians are many; they range from opening the jammed locker of a careless student to engaging in the daily duties of keeping the school building clean. During the past seasons we have been given reason to thank the faithful workers for their many aids which have greatly facilitated our school lives.

Cafeteria Staff

Cider for Halloween, turkey for Thanksgiving, and candy hearts for Valentine's Day are only a few of the "extra touches" added by the Haverling cafeteria staff as it busily prepares tasty meals for Haverling students. Whatever the season, we can be assured of good food, thanks to these diligent workers who make our cafeteria the pleasant place it is.

Colorful, conniving, but crucial, are the right adjectives to describe student Council's annual presidency campaign. Looking like a ticker-tape procession in New York City, the campaign parade monopolized the fall limelight.

After a series of vote-getting activities, ranging from corn roasts to snake dances, the student body elected Margo Towner, president and Gary Taylor, vice-president to be assisted by Alex MaGill, treasurer, and Kitty Jane Ryniker, secretary.

Whether it was granting permission for a bake sale or ably assisting in the attractive hall window display, Student Council stood as the student body's own governing faction and representative of their ideas.

Winter, spring, and fall the Press Club members are always on the ball striving to make each issue of the High Spots "tops".

This year the paper has had exceptionally good articles and has shown good mimeographing. The use of green ink on the St. Patrick's issue cover gave a very striking effect of an Irish world.

This organization received again this year the honor of placing first in County competition in the mimeograph section of school papers at Rochester. Reporters attended conference at Syracuse and Rochester this year to represent Haverling and to participate in discussions on ways of improving school publications in the future.

PENN YAN – The Penn Yan game was featured by the running of Laggis, Repass, Dawson, and the passing of Finkle. Fullback Larry Bennett was hurt on the first play of the game and did not see action again until the Lakemont game. Orcutt and Repass scored the touchdowns, both coming on running plays.

PAINTED POST – The annual "jug game" was played in two inches of snow. Haverling scored first and it looked like the Rams had the game in the bag. But a "fluke" pass that went for a TD and an intercepted pass that went for another TD completely dazed the Rams. The Ramblers had to work hard for their two TD's, while it seemed that every time the Post offense bogged down, they received a break. This was the one year when Haverling had the better team, but it was to no avail.

A great deal of credit should be given to the Ram's forward wall which blocked and tackled fiercely all season. Bob Burns, Glenn Orcutt, Jim Fagan, John Hunter, Dave Shirley, Ed Sanford, and Howie Veit were the starting line for the Rams during the season. Danny Laggis proved to be one of the best backs in Haverling's football history. Haverling also had one of the the best quarterbacks in the county. Gary Finkle. Finkle's outstanding passing ability proved very helpful to the Rams all during the season.

In all, the Rams had a very good season even if they did not bring the "Jug" back to the Halls of Haverling. The team and Coach Ritchko deserve a great deal of credit. The team had the one thing that is needed to be outstanding in football, and plenty to spare – desire.

The success of the annual eighth grade dance was due to the unusual enthusiasm of these high school veterans of a year.

A bake sale also helped put them well on their way to their long-to-be-anticipated trip to Washington.

Next fall, while wistfully looking back on their eighth grade year, they will begin their last four years with their main goal hopefully set at being "Big Seniors".

King Winter sets the scene where stands the Class of 1958. Now that Winter walks the land, we find ourselves engrossed in a new season. The success of our production "Annie Get Your Gun," the excitement of our basketball games, our very own Senior Ball, and the never-ending fall of snow, wraps us in the magic of Winter.

"Annie Get Your Gun"

M. Hawk; J. Yedinak; N. Harvey; A. Katner

The play *Annie Get Your Gun*, presented by the class of '58, will long be remembered with delight by all those who helped to make it the great success that it was. This became truly a class project with everybody lending his or her hand to carry on a Haverling tradition. We offer our sincere gratitude and

B. Lane; N. Ritter

humble thanks to our beloved director, Mrs. Tate. As if by magic she transformed words on a printed page into realistic, lively characters. We, as a class, will always remember the long rehearsals, the laugh-provoking sight of our classmates' faces covered with make-up, the costumes we begged from our neighbors, and opening night with the sight of all those people. As in any play music plays an important part in its success and so it was with ours. Songs from the original play were ably sung by Sue Roberts and Jerry Cooper. The experience of our class play will never be forgotten. Our thanks to each and every one who lent us a helping hand and especially to Mrs. Tate.

From out of the cold into a pine forest in heaven. Sounds different? It was different. We seniors gazed with wonder at our accomplishment. We made our gym into heaven. Everyone was on clouds as they danced to the music of the "Band of Angels". Everything fitted in perfectly from the theme which was, "Christmas Holiday in Heaven," to the lovely girls in fleecy gowns of angel hair and their "angels". Who ever dreamed heaven would smell like pine? Our heaven did.

The bright spot of the evening was the crowning of the "Man in the Moon," Cliff Morse, and the "Shining Star," Nancy Wheaton. They were joined by the "Satellites," Gary Finkle and Louise Kammire.

Last spring the Honor Society elected the following officers: Jo Ann Biehl, President; Karol Ketch, Vice-President; Marcia Hawk, Secretary; Mrs. Katherine Marlatt, Treasurer; Donna Tears, Student Council Representative; Billie Lou Smith, Alternate Student Council Representative and Mary Faucett, High Spots Reporter.

Under the direction of Mrs. Tate, our Thespian Club this year became a reality. Upon organizing we were greatly surprised at our number. Our "Good-night, Please" was enjoyed by all in an assembly program and our public performance of four one-act plays was very successful.

The eight charter members aptly led the Haverling Troup through a series of workshops. Everyone gained much knowledge of the theater including such things as make-up, staging, and costuming. The Thespian Club, although the infant of H.C.S. activities, looks forward to many successful seasons.

These students, striving for a deeper knowledge of the teaching profession and anticipating such a career in the future, aid the teachers in these countless ways, and in so doing, gain much in the way of experience and interest. Under the superb guidance of Mrs. Finnerty, faculty advisor, the members are assigned to various teachers to work during free time throughout the school year. Money making projects, banquets, trips to the state university teachers colleges – all have places on the busy agenda of this organization. Varsity Basketball Squad

The 1957-58 Haverling Central Varsity basketball team compiled a 9-8 season record, the best record in many years. Led by high-scoring Gary Finkle and Alex MaGill the team finished third in the Steuben County "A" League with a 2-4 record.

Among the highlights of the season was a victory over Canisteo, the "A" League Champs 55-53 and a 62-57 victory over Corning Free Academy. Haverling was the only team to beat Canisteo in league play.

Haverling will lose four of five starters from this year's team.

Gary Finkle, Haverling's ace basketball star, holds the School's all-time scoring record of 334 points in sixteen games, giving him an average of 20.9 points per game.

In the last four years, Coach Axtell's team has improved its record thus: 5-13, 7-11, 8-10, and 9-8. This marks Axtell's last year as basketball coach at Haverling.

Gary Finkle and Alex MaGill were elected co-captains following the end of season play.

The Junior Varsity team also had a winning season, compiling the same record as the Varsity, 9-8. The J.V.'s won four of their first five games, but then some of the boys were needed on the Varsity and the starting five was broken up. The Junior Varsity gained much needed experience this year, and will be looking forward to filling the vacant spots on next year's Varsity team.

Each season of the year found the Sophomore class industriously planning a project to enrich their treasury. They began the year with a bake sale which proved to be very profitable. As the winter season drew to a close they looked ahead to Spring, when they would sponsor a car wash, something new at Haverling. As the weather grew warmer and the end of the school year came into sight, the Sophomores had a class picnic and dance combined. They found this to be a very pleasant way to end a very successful and enjoyable year.

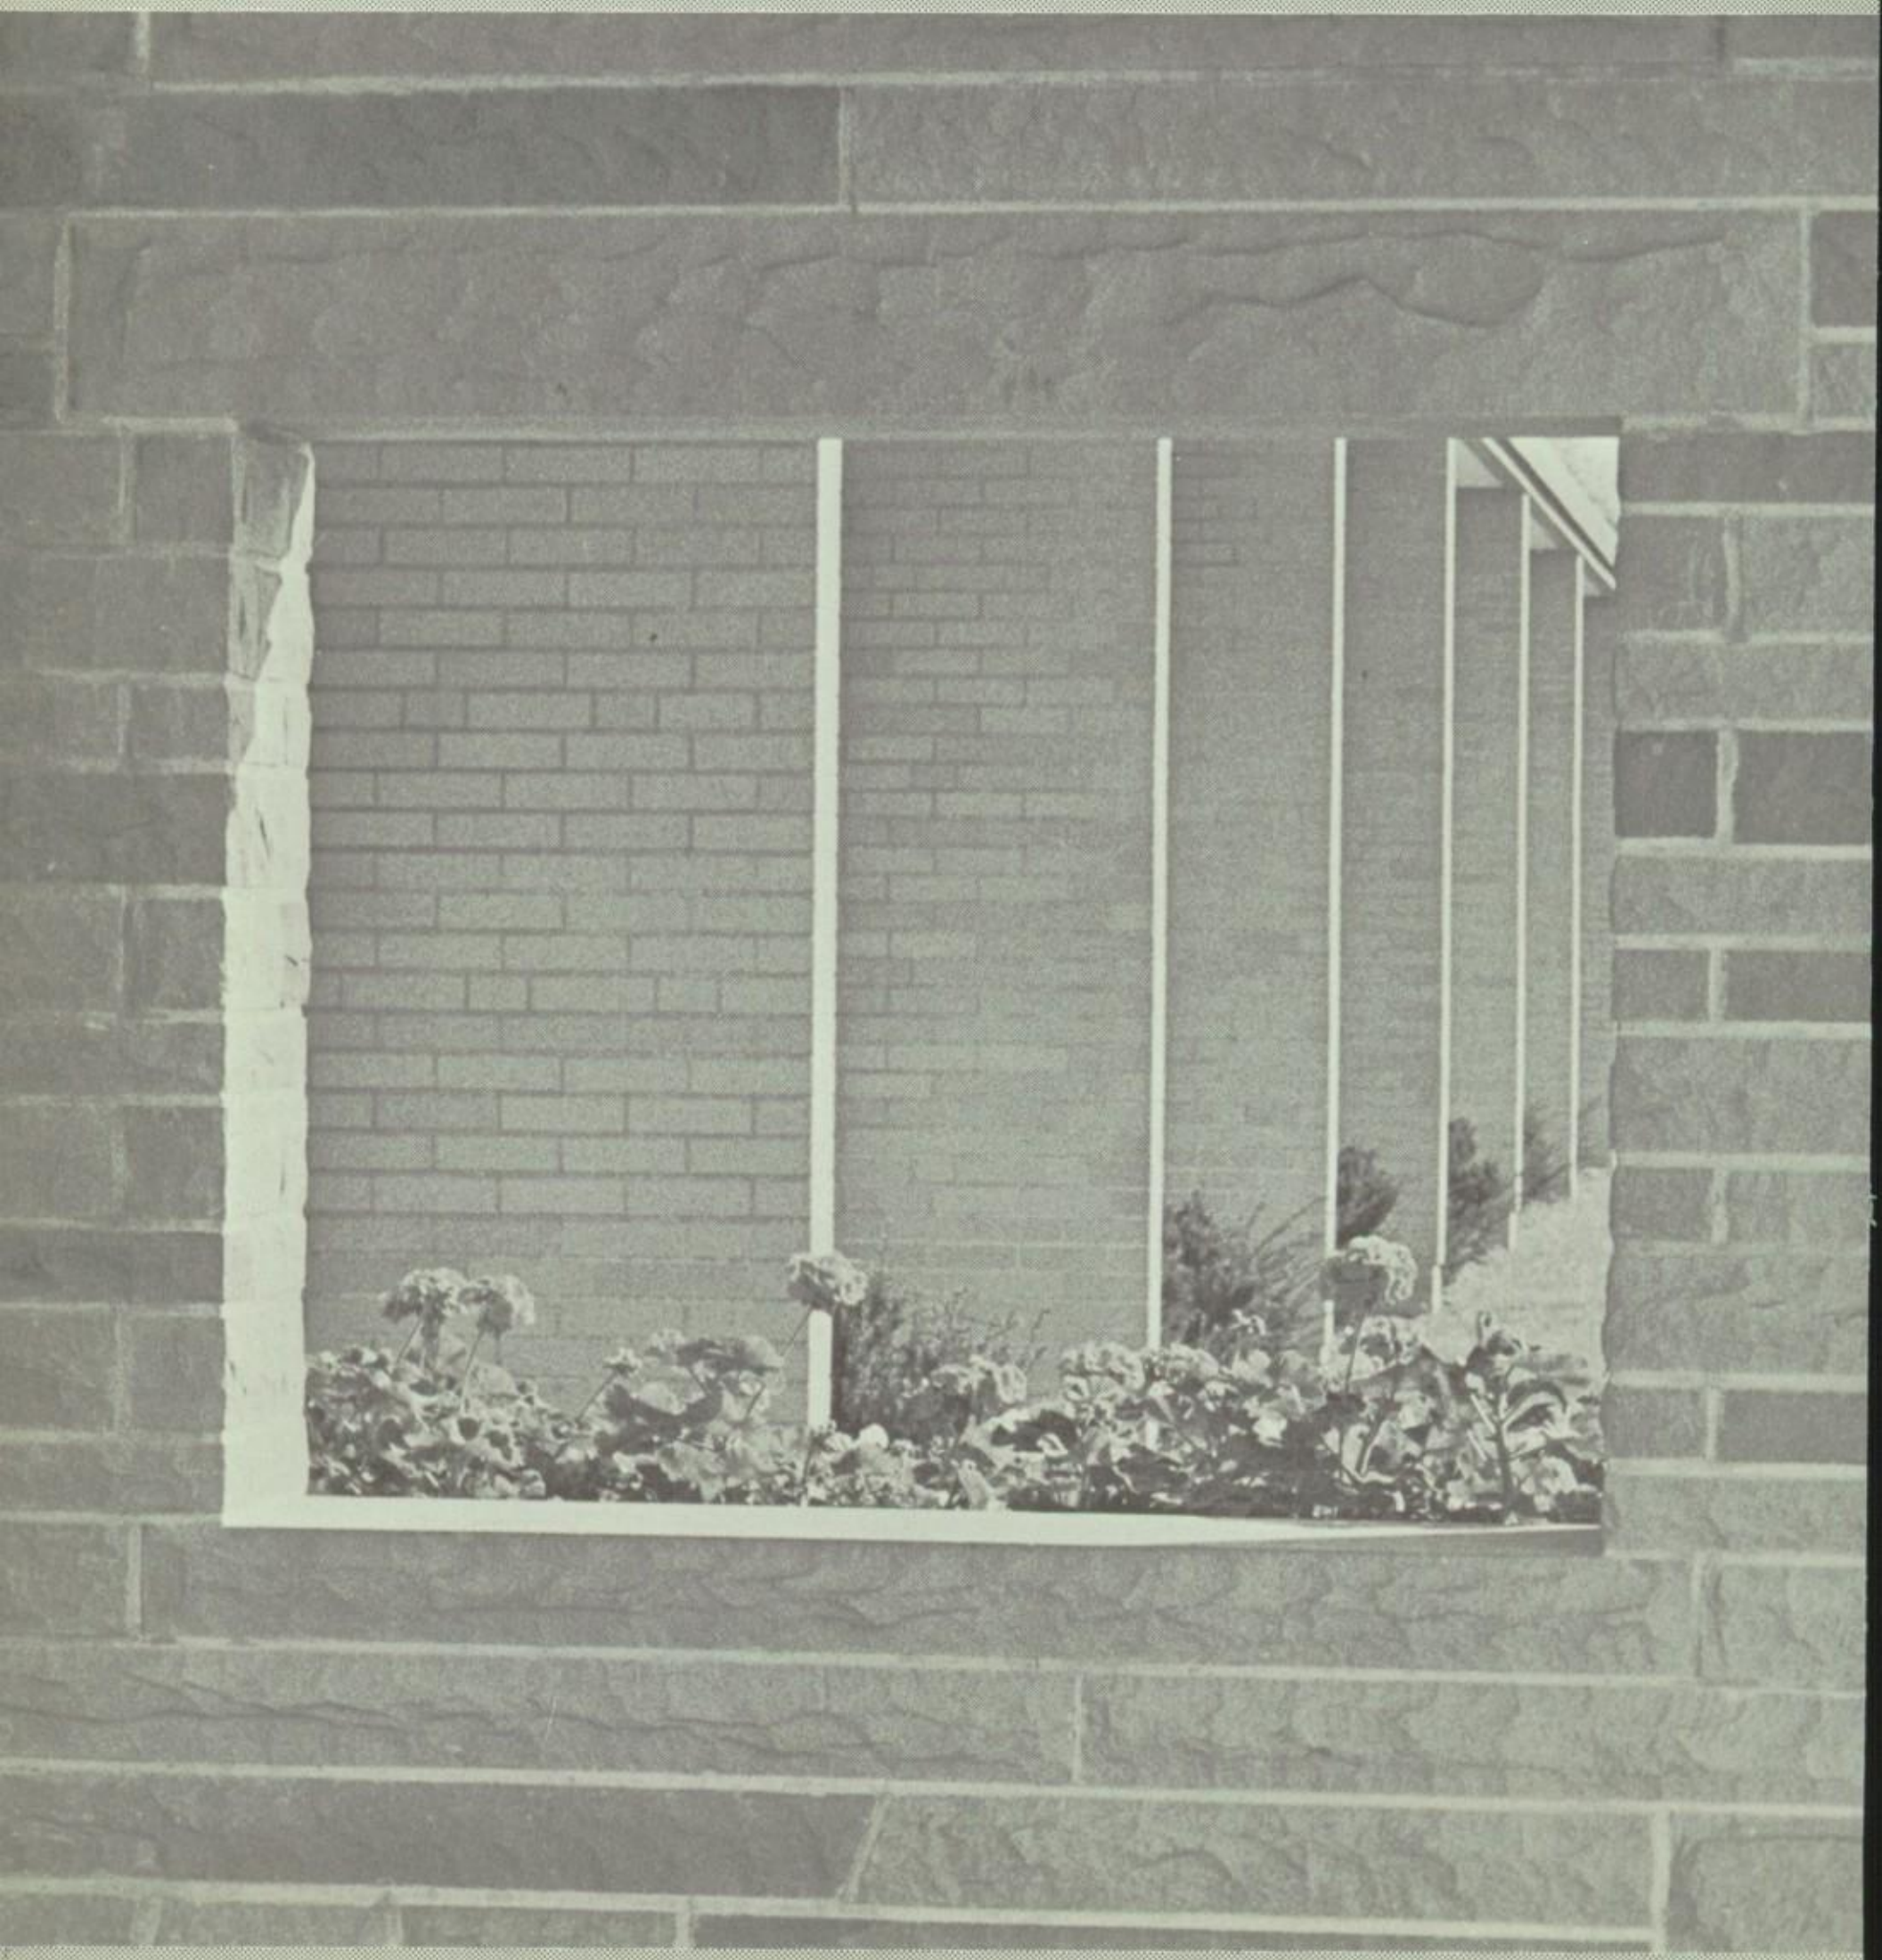
Spring



Spring, with her golden sun and silver rain, unlocks the gateway to the activities of another season. The strains flowing from the music rooms indicate that it is festival time once again. . . The baseball team is limbered up, ready to play ball . . . The gym is transformed into a place of beauty for another Junior Prom . . . thus we find ourselves engrossed in the joys of one more Spring.

"I LOVE PARIS"
Junior Prom
May 3, 1957

Parisian Royalty—Gary Finkle, Fred Eade, Carol Fiorillo, Mary Faucett

Parisians were surprised to find their Eiffel Tower and quaint sidewalk cafes suddenly spring up in the gymnasium of our high school last April. The occasion for the crime of stealing the tower and other French scenes was the annual Junior Prom. The punishment for the crime was an enjoyable evening of dancing to the music of Ted Van Order's Band. The traditional originality of the class of '58 showed in the successfulness of the prom "I Love Paris".

The throne, a very novel park bench straight from "Gay Paree," was enhanced by French poodles (what else) and occupied by our royalty Queen Carol Fiorillo and King Fred Eade, and their attendants, Gary Finkle and Mary Faucett.

The spell of the evening was broken by the final strains of "I'll See You In My Dreams".

The annual 8th Grade Dance was held on February 14, in the Haverling Central School gym.

The decorations for the dance were carried out in the traditional Valentine theme with a throne of two large hearts, and an old-fashioned bridge in the center of the floor. The walls were covered with valentines, and red and white streamers were suspended from the ceiling.

The highlight of the evening was the crowning of the King, Lyle Graves, and Queen, Bea Wilson and their attendants Mike Enderly and Gretchen Van Gelder. The pages were Judy Smith and Joe Billings. The music for the dance was provided by the Mello-Tones Orchestra. A wonderful time was enjoyed by all.

"Learning to do, doing to earn, earning to live, and living to serve" best exemplifies the aims and purposes of the F.F.A.

This year, the Haverling chapter has had one of the busiest and most profitable years. Crop demonstrations, field trips, chapter meeting contests and a farm safety program were only a few of the projects carried out this year. A highly successful assembly program was sponsored to enlighten fellow-students on the purpose of this organization.

"Let's create" best explains the course of activities followed by the Art Club.

Besides creating the works of art that grace our main hall during the holiday seasons, these da Vinci's and Michaelangelo's to-be tried their hand at leathercraft. This project was met with successful results.

No student's book list would be complete without a calendar compiled by the Art Club at the beginning of the year. How could we know when to wish the teachers a Happy Birthday? Congratulations for a successful year.

Those junior high students with a knack for art have been organized into a Junior High Art Club. Under the direction of Mr. Pangburn, these students are learning to be artistic in their creating.

The majorettes enhanced the front of the band with color and form. This attractive corps is a pleasure to watch as they accompany the marches with clever steps and lively dances. With either maracas or batons, they are equally adept and share many good times while they are stepping smartly.

Majorettes

The captain of the majorettes, Diane Brown, has been very successful in her four years of twirling. She has won several prizes around the state and the band is justly proud of her.

Barbara French's mastery of one baton is highly commendable and of two is just amazing. Her terrific solos are evidence of sheer work and we can only say "Seeing is believing!"

The Band

With two concerts this year the symphonic band was very successful and busy making music with the professional touch, of which they can be proud. Haverling takes great delight in their top grade performances.

Following Waneta Easterbrook's clear directions, the marching band can execute unique maneuvers quickly and smoothly.

Sue Mowchan's time and effort spent as a diligent understudy enabled her to take over capably when the need arose.

Row one: M. Hawk, B. L. Smith, E. Davis.
Row two: J. Smith, G. Hughes, J. Burdick, D. Brown.
Row three: J. Brownell, B. Glodney, L. Jessup, B. Ball.
Row four: T. Sliney, J. Denlinger, P. Peacock, J. Wood, K. Daulton, B. Hawk.
Row five: B. Spicer, K. Reed, S. Nichols, L. Nichols, A. Giacomini, N. Bennett.
Row six: L. Matthews, C. Schwingel, L. Kammire, W. Easterbrook, R. Longwell.
Row seven: I. Christie, S. Dickson, S. Squires.

The symphonic band prides itself on playing a variety of numbers from Beethoven's "Egmont Overture" to lighter beguines. They also strove to duplicate their A rating in Grade V music which they received at festival in 1957. This is a very high achievement. The band owes much of its success to their capable director, Luther Hoffman.

The color guard corps, composed of Louise Kammire, Carol Towner, Karol Ketch, and Sharon Dickson, add that final touch of perfection to our esteemed band.

These talented three, J. Smith, B. Bradley, B. L. Smith, participated at All-State which is the highest honor that can be accorded a high school musician. It was both a rewarding and unforgettable experience.

Junior High Band

Row one: J. Smith, C. Temple, C. Johnson, K. Baronas, E. Smith, M. Mays, C. Hubbard, M. L. Christie, N. Bennett.
Row two: C. Redding, M. Van Scoter, J. Rock, R. Delio, S. Wintle, J. Stewart, J. Empey, J. Fullmer, I. Christie, J. Brown, S. Kropp, M. Marby, N. Marlatt.
Row three: B. Bradley, S. Cohn, J. Bogart, B. Steele, P. McKibben, F. Hannon, T. Coon, F. Kastner, C. Daley, K. Ireland, G. Van Gelder, J. Shults, K. Reed, B. Spicer, P. Fagan, R. Sprague.
Row four: C. Johnson, J. Dugo, C. Hill, S. Rappaport, R. Rice, R. Peacock, M. McMahon, E. Yedinak, P. Seybolt, W. Beyea.
Row five: E. Ryniker, D. Narby, R. McNeeley, R. Lewis, K. Evans.

The Junior High Band is well organized this year and played with much enthusiasm. They, too, performed in two concerts and have come a long way on instruments which such a short while ago had minds of their own.

Dance Band

Row one: J. Cooper, S. Nichols, B. Fullmer, L. Kenzie, R. Sprague, B. Spicer, K. Reed.
Row two: M. Faucett, A. MaGill, C. Carlson, S. Mowchan, R. Deegan, R. Van Scoter.
Row three: L. Longwell, R. Dickson, J. Fleet, G. Cooper, B. French, J. MaGill, W. Lane, G. Hughes.
Row four: R. Dugo, L. Nichols

The dance band refreshed our many assemblies with its smooth strains and foot-tapping rhythms. How easily those popular numbers woke the audience up and kept us humming all day. They also relaxed everyone while the judges made their final decisions.

Class of '59

With Mrs. Hoffman as our advisor, we began our Junior year with an energetic campaign for Vice-President of Student Council. The pouring rain on parade day dampened no one's enthusiasm, though it did inconvenience those riding in convertibles.

After the campaign excitement was over, we started raising funds for our Senior trip. Our pencil sale was a glorious success, with a free dinner in Washington promised to the top salesman. Our bake sale will also be remembered, though not as successful.

The highlight of the year was the Prom. With Sayonara as our theme, we turned the gym into a land of Japanese enchantment.

Finally, came the Junior-Senior banquet, and oh, our poor pocketbooks!

Now we look forward to a summer full of vacation fun, and plan to be back next year, as Seniors!

Summer

Summer treads upon the heels of Spring, bringing to an end the royal progress of our seasons at Haverling. The Seniors view their graduation with mixed feelings – it marks the end to the Familiar, but opens the way for the New. The Haverlinguist has been edited, the class history is finished, and the Class of 1958 is prepared for graduation – so with nostalgia we enter into the golden Summer.

The snow swirled outside as the yearbook staff burned the "midnight oil" in their desperate drive to meet the deadline.

Suddenly an inventive mind exploded with an idea and another page of the Haverlinguist was born.

The storm subsided, spring came, and with it came the distribution of their literary and pictorial "masterpiece."

The smile of satisfaction crept across the staff's faces as students, clutching their annuals in their hot little hands, rushed helter-skelter looking for autographs and saying, "Man, I mean, . . . it's the greatest ever!"

As the Seasons Passed

Four years ago, we, the class of 1958 stood wide-eyed and bewildered in the halls of our large new school. Fortunately, everyone was as dazed by this beautiful building as we were and we soon settled down to watch the seasons pass. To lead us through this, our first year of high school, we chose Gary Finkle, President; Diane Brown, Vice-President; Nancy Wheaton, Secretary; and Don Riling, Treasurer. We started work and were soon marked as an outstanding class. Our first memories include . . .

. . . Ringing doorbells to sell tickets to the "Sea Around Us"

. . . Our bake sale and all those goodies that flopped

. . . Mrs. Finnerty's angelic homeroom

. . . Our first youth dance and our pride upon receiving the prize

. . . The many bumps and bruises after our skating party

. . . The fun of just being freshmen

A lot richer and a good deal more confident we entered our sophomore year. This year we selected the following officers: Margo Towner, President; Tom Gilbert, Vice-President; Mary Lou Van Skiver, Secretary; Donna Tears, Treasurer. We eagerly checked our treasury and started once again to fatten it. We'll long remember . . .

. . . Our very successful dance after the jug game

. . . Mr. Wilson's weird looking blackboard after geometry class

. . . "Candyland" and our second year as the prize winner

. . . Mr. Burrington's guidance as our class advisor

Juniors at last! We had almost made it. With Washington so very close we chose Alex MaGill to lead us through the year. Dick Parker served as Vice-President while Billie Lou Smith was Secretary and Dave Shirley, Treasurer. Those wonderful memories of our Junior year are . . .

. . . Our first student council campaign with all those suckers and signs "Do not tarry, vote for Gary" and "The wise old owls in the trees are saying vote for Louise."

. . . Waiting to sell that one last pencil

. . . Finally discovering why the strange odors come from the chemistry lab

. . . Our last youth dance "Autumn Notes"

. . . "I Love Paris," the authentic sidewalk cafes and our own Eiffel Tower. Carol Fiorillo, our lovely queen and Fred Eade, our king – princess Mary Faucett and Gary Finkle, prince

. . . .Our first encounter with those frightening "term papers"

. . . The unwillingness with which we paid the bill for the Junior-Senior banquet

. . . The realization that our years in Haverling were almost over

A dream had come true. We were seniors. A wonderful year lay before us. To get us to Washington we chose Louise Kammire as our President; Nancy Wheaton, Vice-President; Betty Ball, Secretary; and Alan Katner, Treasurer. How could we ever, ever forget . . .

. . . Our student council campaign for "the" office – "Go, go, go for Margo" and He's pur-r-r-r-fect, vote Alex MaGill"

. . . Wet feet and cold hands but a very successful magazine campaign

. . . Our joy at having the new refreshment stand

. . . "Annie Get Your Gun" – the fear of bad shells-feed sacks-and Mrs. Tate, our favorite director

. . . All those hours in Mr. Cook's office

. . . "Holiday in Heaven" that was really heaven – Nancy Wheaton our queen and Cliff Morse our king. Louise Kammire, our princess and once again, Gary Finkle our prince.

. . . Those blue slips!

. . . Finally a reality – our Senior trip with all its fun and memories

. . . Our efficient Mr. Wilson – the best advisor ever

. . . Singing our Alma Mater, the entire Class of 1958, for the last time

. . . Accepting our diplomas and turning away as alumni with a new challenge before us

These have been happy years at Haverling. The seasons have held many memorable events. As we go forward into the future, we will long remember our Haverling—our Alma Mater.

Court of Beauty

These four girls have been chosen as the most photogenic to occupy the places in our court of beauty. As pretty as the winter snow . . . as refreshing as the summer breeze, we see that the beauties of nature end not with the seasons.

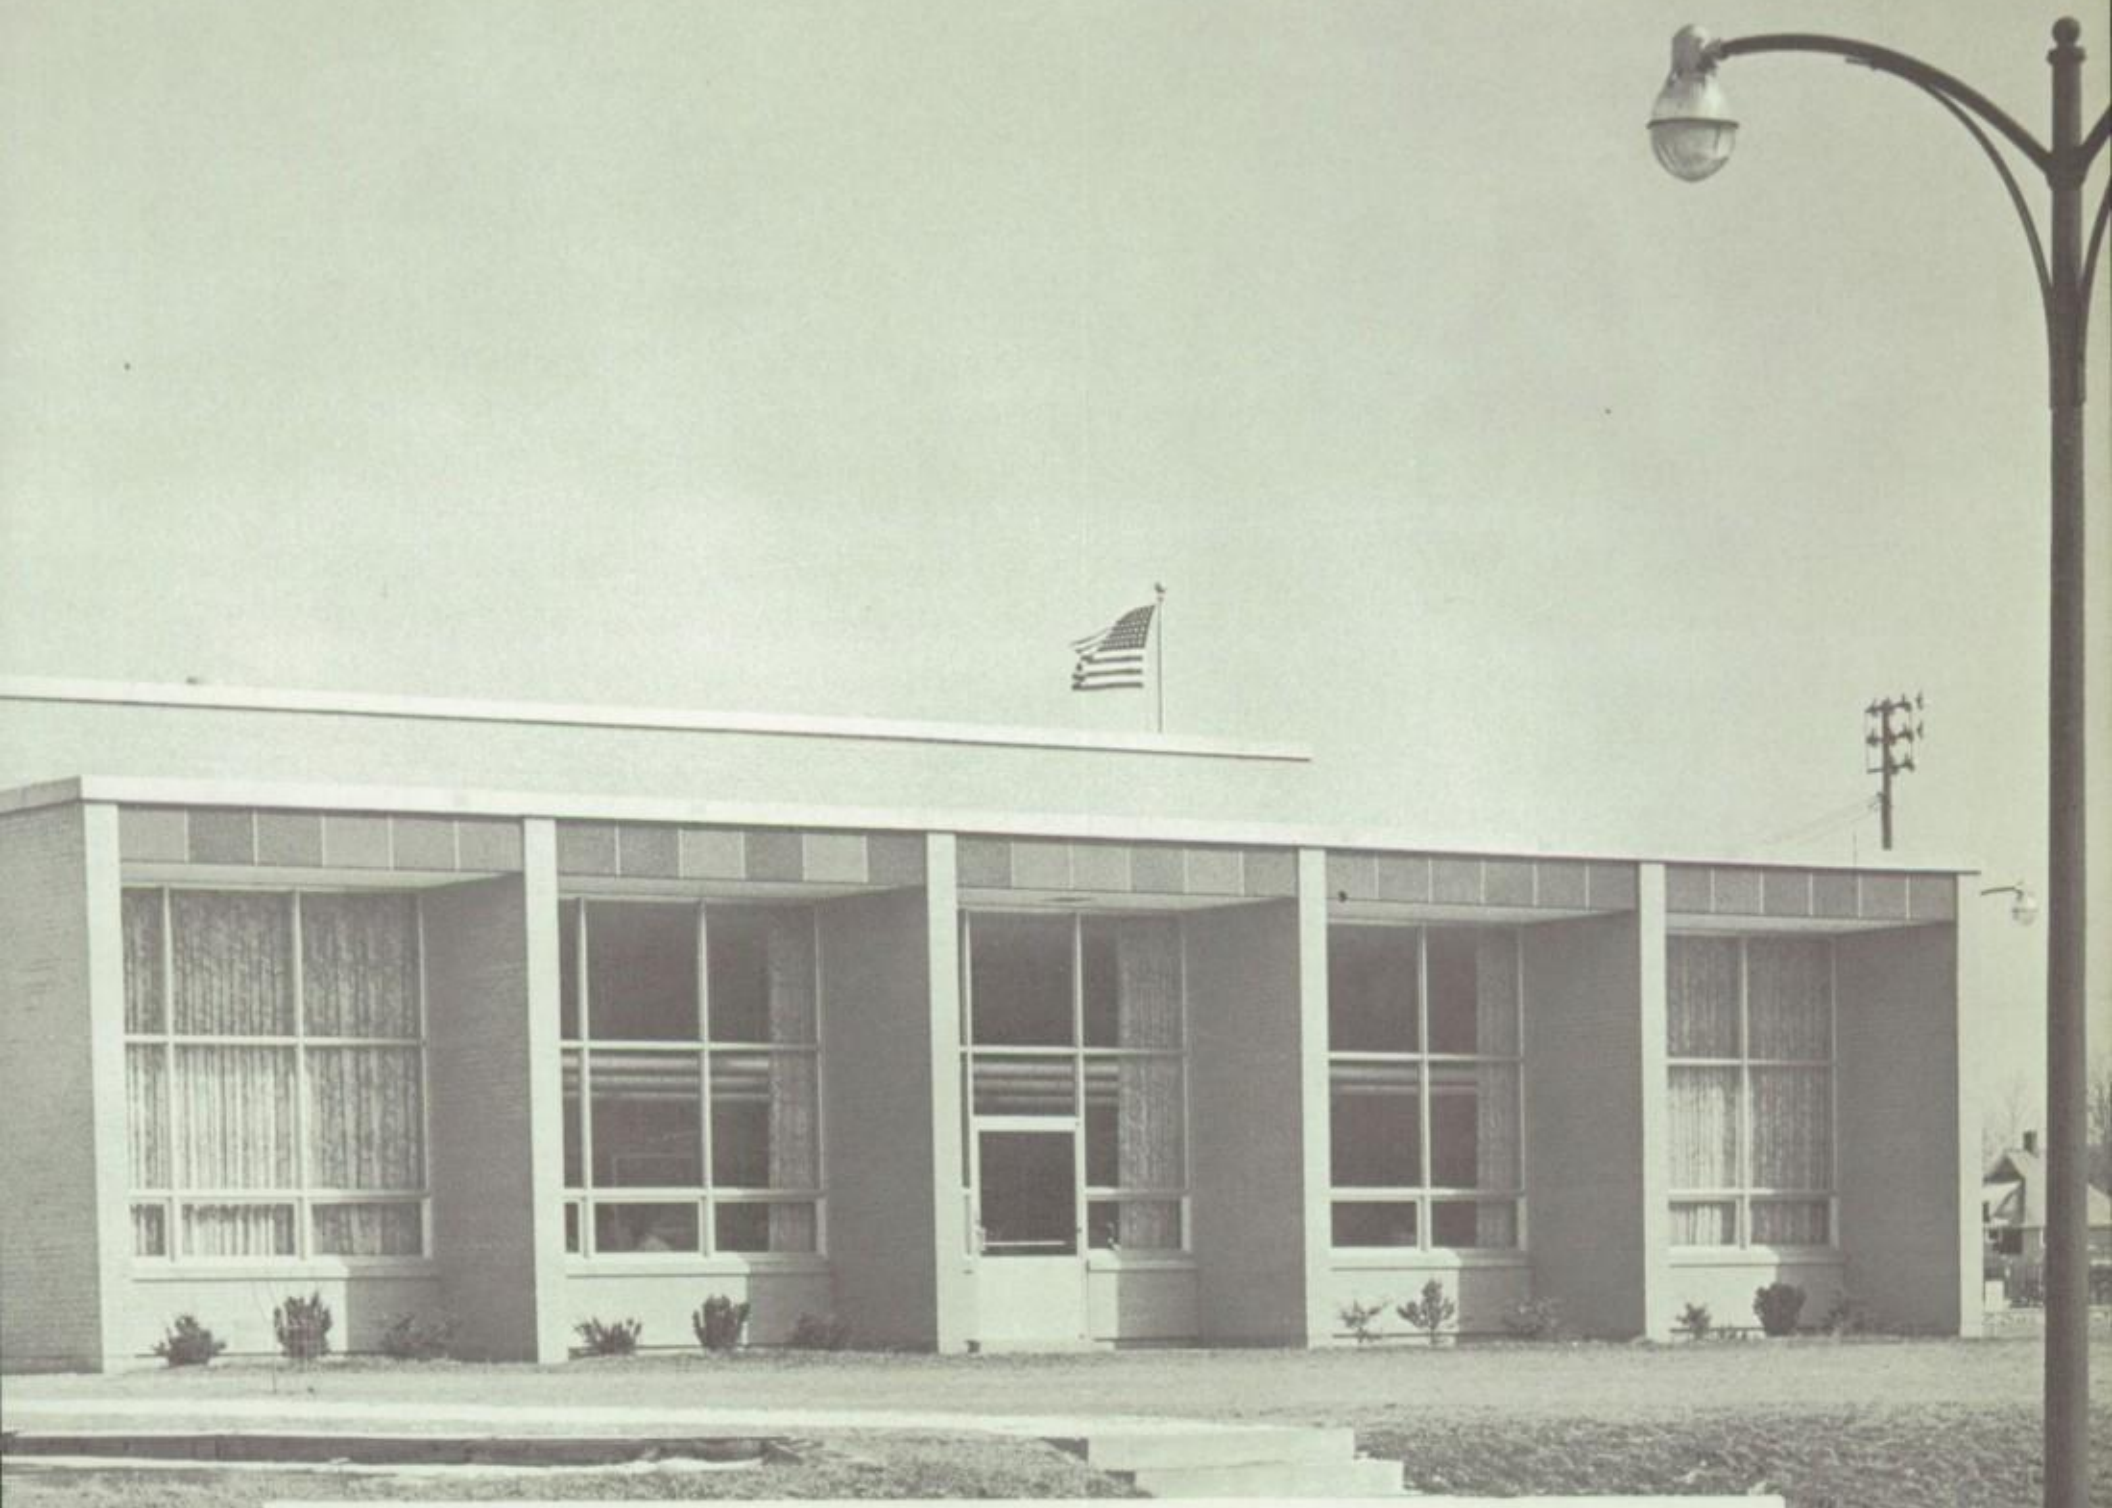
Closing



Fall, Winter, Spring, and Summer – Nature's four seasons have completed our lives at Haverling. Our four years of high school have been rich years. We do not know when we shall encounter such good years again – but we are anxious to begin.

We yearn to put into practice our own ideas. They are different from those that have gone before us – but that makes them no less right. We have learned to express our ideas through our parents and our teachers. We realize now the important part they have played in our lives; they have fulfilled their part well. Now it is up to us. As individuals, we are the only ones who can decide whether we shall succeed or fail.

Thus we leave the halls of Haverling. With warmness we look back at the home we have shared. Yes, our seasons spent here have been good seasons. "Time goes, you say? Oh no! Alas, Time stops, we go."
